

Did You Know?

Colorectal cancer is highly preventable, yet it's the **second leading cause** of cancer-related death in **African American** men and women.

MAR. 17
2024

**COLORECTAL
CANCER SCREENING
AWARENESS
SUNDAY**

We hope you join us on March 17 for the Atlanta East District's Colorectal Cancer Screening Awareness Sunday. We'll be sharing important messages in an effort to increase our members' knowledge and awareness about colorectal cancer and screening so that we can do more to prevent this dreaded disease.
